2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

- I am against ANY increase to TCWS at this time. This would be the third significant increase in 6 years.

- TCWS should not be awarded this increase as the level service provided -- from water and sewer to customer service is substandard.

- I object to this increase as an 18% increase was awarded in 2010, and no significant upgrades to our outdated system have been made.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
